

The Final Prophet: Proofs for the Prophethood of Muhammad	
Author	Mohammad Elshinawy - Graduate of English Literature (Brooklyn College, NYC), Bachelors in Islamic Studies (Mishkah University)
Dalā'il al-Nubuwwah	<p>Literature on the proofs establishing the prophethood of Muhammad</p> <ul style="list-style-type: none"> - Over ninety such works are known today - Imam al-Shāfi'ī (d. 820) reportedly being the first compiler - The most famous being <i>Dalā'il al-Nubuwwah</i> by Imam al-Bayhaqī (d. 1066)
Al-Haqq	<p>The Ultimate Reality, the One without whom no truth or reality is possible</p> <ul style="list-style-type: none"> - Seeking an explanation for God, when God is the explanation for us, makes circular reasoning inescapable
Belief in the Prophet صلی اللہ علیہ وسلم	<p>Allah says, "Muhammad is not the father of [any] one of your men, but [he is] the Messenger of Allah and the last of the prophets. And ever is Allah, of all things, Knowing"</p> <ul style="list-style-type: none"> - Whoever believes in Allah's words must accept that Muhammad ﷺ was His final prophet and messenger
Serving God	<p>We were created to transcend the carnal pursuits for a higher purpose: sincere devotion to God</p> <ul style="list-style-type: none"> - "And I did not create the jinn and mankind except to worship Me " - Servitude to God is therefore not only a duty but also a fundamental human need <ul style="list-style-type: none"> - It is necessary to nourish our spirit just as food and oxygen are necessary to nourish our body - The same most compassionate God who afforded us all we need on this planet for physical life and what sustains it, has also sent the means to nourish our spirits
Need for prophets	<p>Without the Creator communicating to us through prophets it would not be possible to have a meaningful relationship with Him</p> <p>Humanity cannot know God, nor know His beauty and grandeur, nor know the path to His pleasure, nor know His promises and threats, nor embody His prescriptive will which He lovingly ordained for the betterment of His creation, without the prophets and messengers</p>
Historical necessity	<p>Many experts believe that the sixth century was the worst in which to live</p> <ul style="list-style-type: none"> - In Roman coliseums, crowds cheered a lion as it mauled a screaming prisoner - In Persia, even the imperial family practiced incest - In India, those at the bottom of the caste system were

	<p>equivalent, if not inferior to, rodents and vermin</p> <ul style="list-style-type: none"> - In Arabia, the infant daughter was buried alive - Further East, people worshiped fire, water, weapons, and genitalia - In many societies, a woman was seen as having no soul, or as having been created only to serve man - Those born into slavery were generally unable to change their status, and in some major civilizations of that period, they exceeded 75% of the population <p>It is difficult to conceive that Allah sent Abraham to construct the Ka'bah, established the blessed well of Zamzam beneath it, gave rise to a great nation because of it, and protected it from invasions—just so it would be surrounded by idols and become a venue for depravity</p>
Biblical references to the Prophet ﷺ	<p>"Those who follow the Messenger, the unlettered prophet, whom they find written [i.e., described] in what they have of the Torah and the Gospel"</p> <p style="text-align: center;"><small>الَّذِينَ يَتَّبِعُونَ الرَّسُولَ النَّبِيَّ الْأُمِّيَّ الَّذِي يَجِدُونَهُ مَكْتُوبًا عَنْهُمْ فِي التَّوْرَةِ وَالْإِنْجِيلِ</small></p> <p>"I will raise up for them a Prophet like you from among their brethren, and will put My words in His mouth, and He shall speak to them all that I command Him"</p> <ul style="list-style-type: none"> - God reveals to Moses that He will send another prophet to the Israelites who will be like him <ul style="list-style-type: none"> - Both came with a new comprehensive code of law, both faced persecution causing them to leave their homelands, and both returned to defeat their oppressors - "Nor does he speak from [his own] inclination. It is but a revelation revealed" <p>"Now this is the testimony of John, when the Jews sent priests and Levites from Jerusalem to ask him, "Who are you?" He confessed, and did not deny, but confessed, "I am not the Christ" And they asked him, "What then? Are you Elijah?" "Are you the Prophet?" And he answered, "No"</p> <ul style="list-style-type: none"> - This proves that some Jews were still awaiting the coming of the Prophet <p>"Behold! My Servant whom I uphold; My chosen one in whom My soul delights I have put My Spirit upon him; he will bring forth justice to the nations He will not cry out nor raise his voice, nor make his voice heard in the street A bent reed he will not break off and a dimly burning wick he will not extinguish; he will faithfully bring forth justice He will not be disheartened or crushed until he has established justice on the earth"</p> <ul style="list-style-type: none"> - The primary title of the Prophet throughout the Qur'an is "Our servant" - It is problematic to assume the servant was Jesus Christ

	<p>because Christianity and Islam agree that he rose without bringing justice to the nations; his handful of disciples did not possess the political strength to enforce God's law in their society</p> <ul style="list-style-type: none"> - Isaiah 42:17 explicitly says "the prophet" would abolish idolatry, which the Prophet Muhammad ﷺ most definitely did <p>"Nevertheless I tell you the truth. It is to your advantage that I go away; for if I do not go away, the Helper will not come to you; but if I depart, I will send him to you... I still have many things to say to you, but you cannot bear them now. However, when he, the Spirit of truth, has come, he will guide you into all truth; for he will not speak on his own authority, but whatever he hears he will speak; and he will tell you things to come"</p> <ul style="list-style-type: none"> - Jesus AS could not be implying the Holy Spirit here that cannot arrive until Jesus departs, since the Holy Spirit was always with Jesus - Jesus could not be implying Paul or the papacy, since they did not present proof that they communicated with the heavens - He ﷺ would accurately foretell future events and brought definitive guidance on all truths
The Prophet's character	<p>Ibn Taymiyyah: There has never been any liar who claimed prophethood except that his ignorance, dishonesty, wickedness, and devilish ways became clear to anyone who possessed the smallest degree of discernment</p> <p>وَمَا مِنْ أَحَدٍ ادْعَى النَّبُوَةَ مِنَ الْكَذَابِينَ إِلَّا وَقَدْ ظَهَرَ عَلَيْهِ مِنَ الْجَهَلِ وَالْكَذَبِ وَالْفَجُورِ وَاسْتَحْوَادِ الشَّيَاطِينِ عَلَيْهِ مَا ظَهَرَ لِمَنْ لَهُ أَدْنَى تَمْيِيزٍ</p>
'Āishah RA	<p>The Prophet's ﷺ "character was the Qur'an"</p> <ul style="list-style-type: none"> - He ﷺ practiced everything that he preached
Trustworthiness	<p>'Āishah RA: "There was nobody in Mecca (even his enemies) who had valuables that he feared for except that he kept them with the Messenger of Allah ﷺ, due to the honesty and trustworthiness that was known [to all] about him"</p> <p>وَأَمْرَ رَسُولِ اللَّهِ عَلَيْهِ وَسَلَّمَ عَلَيْهَا أَنْ يَتَخَلَّفَ عَنْهُ بِمَكَّةَ حَتَّى يُؤْدِي عَنْ رَسُولِ اللَّهِ عَلَيْهِ وَسَلَّمَ الْوَدَائِعَ الَّتِي كَانَتْ عَنْهُ لِلنَّاسِ قال ابن إسحاق : فإن رسول الله ﷺ أمره أن يتخلّف حتى يؤدي عن رسول الله ﷺ الودائع التي كانت عنده للناس، وكان رسول الله ﷺ ليس بمكّة أحد عنده شيء يخشى عليه إلا وضعه عنه لما يعلم من صدقه وأمانته</p>
Heraclius, the Byzantine emperor	<p>"I asked you whether you ever accused him of lying before he stated what he stated [about prophethood]. You replied in the negative, and I know that he would not refrain from lying about others and then lie about God"</p> <p>وَسَأَلْتُكَ هَلْ كُنْتَ تَتَهْمِنُهُ بِالْكَذْبِ قَبْلَ أَنْ يَقُولَ مَا قَالَ، فَذَكَرْتَ أَنْ لَا، فَقَدْ أَعْرَفْتَ أَنَّهُ لَمْ يَكُنْ لَّيْزِرَ الْكَذْبَ عَلَى النَّاسِ وَيَكْنِبُ عَلَى اللَّهِ</p>

Integrity	<p>There was a solar eclipse on the day that Ibrāhīm, the son of Allah's Messenger ﷺ, had died</p> <ul style="list-style-type: none"> - When the people began to say that the eclipse was due to the death of this young child, Allah's Messenger ﷺ rose at once and said, "The sun and the moon are not eclipsed because of the death or birth of anyone. Rather, they are two of God's signs" - Had the Prophet ﷺ been a narcissistic imposter, this would have been the perfect opportunity to capitalize on such a convenient credibility booster <p style="text-align: center;">الشَّمْسُ وَالْقَمَرُ لَا يَنْكِسَيْفَانِ لِمَوْتِ أَحَدٍ وَلَا لِحَيَاتِهِ، وَلَكُنْهُمَا أَيْتَانٌ مِّنْ آيَاتِ اللَّهِ</p>
Simplicity	<p>Despite gaining control of all of Arabia by the end of his life and having thousands of followers who obsessed over him and would have done anything in the world for him, yet, we see no signs of luxury in any sphere of his life</p> <p style="text-align: center;">يَا نَبِيَّ اللَّهِ، وَمَا لِي لَا أَبْكِي وَهَذَا الْحَصِيرُ قَدْ أَثْرَ فِي جَنْبَكَ، وَهَذَا خَزَانَتُكَ لَا أَرِي فِيهَا إِلَّا مَا أَرَى، وَذَلِكَ قِيَصَرٌ وَكَسْرَى فِي الشَّمَارِ وَالْأَنْهَارِ، وَأَنْتَ رَسُولُ اللَّهِ ﷺ وَصَفْوَتُهُ وَهَذَا خَزَانَتُكَ</p>
Humility	<p>Anas b. Mālik: "Nobody was more beloved to them (the Companions) than the Messenger of Allah ﷺ. Despite that, when they would see him, they would not stand for him, knowing how much he disliked that"</p> <p style="text-align: center;">لَمْ يَكُنْ شَخْصٌ أَحَبَّ إِلَيْهِمْ مِّنْ رَسُولِ اللَّهِ ﷺ، وَكَانُوا إِذَا رَأَوْهُ لَمْ يَقُولُوا لَمَا يَعْلَمُونَ مِنْ كِرَاهِيَّتِهِ لَذِكْرِهِ</p> <p>"Do not aggrandize me as the Christians exaggerated in praising the son of Mary I am but a slave, so call me the slave of God and His messenger"</p> <p style="text-align: center;">لَا تُطْرُنِي كَمَا أَطْرَأْتُ النَّصَارَى إِنَّ مَرْيَمَ فَإِنَّمَا أَنَا عَبْدٌ اللَّهِ وَرَسُولُهُ</p>
Mercy	<p>"I sometimes stand in prayer then hear a child crying, so I make my prayer brief due to not wanting to cause hardship for his mother"</p> <p style="text-align: center;">إِنِّي لَأَذْخُلُ فِي الصَّلَاةِ فَأَرِيدُ إِطْلَاهُمْ، فَأَسْمَعُ بُكَاءَ الصَّبِيِّ فَأَنْجَوْرُ مَمَّا أَعْلَمُ مِنْ شَدَّدَ وَجْدَ أُمِّهِ مِنْ بُكَائِهِ</p> <p>The Prophet ﷺ once found a child in a sad state, and quickly noticed that his pet nughayr (sparrow) was no longer around, so he said, "O Abū 'Umayr, what happened to the nughayr?"</p> <p style="text-align: center;">يَا أَبَا عُمَيْرٍ مَا فَعَلَ النُّغَيْرُ</p> <ul style="list-style-type: none"> - He inquired about the creature because it meant so much to the young child <p>"And We have not sent you [O Muhammad] except as a mercy to all the worlds"</p> <ul style="list-style-type: none"> - He ﷺ taught that sharpening one's blade is a necessary part of the kindness due to a sacrificial animal - He ﷺ forbade that a harmless animal be killed for sport or <p style="text-align: center;">وَلِيُجَدِّدَ أَحَدُكُمْ شَفَرَتَهُ فَلَيَرْجِعْ ذَبِيْحَتَهُ</p>

The Prophet عليه وسلم let him go, and so the man returned to his tribe and said, “I have come to you from the best of people”</p> <p style="text-align: right;">قَامَ عَلَى رَسُولِ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ بِالسَّيْفِ، فَقَالَ: مَنْ يَمْنَعُكَ مِنِّي؟ قَالَ: “اللَّهُ فَسَطَّ السَّيْفَ مِنْ يَدِهِ، فَأَخْدَهُ رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ فَقَالَ: مَنْ يَمْنَعُكَ مِنِّي؟” ... فَخَلَى سَيْلَهُ، فَأَتَى قَوْمَهُ فَقَالَ: جِئْنَمْ مِنْ عَدْ خَيْرِ النَّاسِ</p> <p>Wahshī was hired to kill Ḥamzah ibn ‘Abdul-Muṭṭalib , the paternal uncle of the Prophet عليه وسلم and fled the city at the conquest of Makkah</p> <ul style="list-style-type: none"> - “Never did we see the Messenger of Allah عليه وسلم weep as intensely as he wept for Ḥamzah” - Wahshī said, “I heard that no matter how grave a person’s crime against him, the Prophet Muhammad عليه وسلم always chose forgiveness” <ul style="list-style-type: none"> - This encouraged him to eventually return to Makkah and embrace Islam <p>Bravery</p> <p>The matchless bravery of Muhammad عليه وسلم indicated that he was not only truthful, but certain of his truthfulness</p> <ul style="list-style-type: none"> - “On the Day of Badr ... we used to stay close to the Prophet عليه وسلم for cover, and he was the closest of us to the enemy, and he was the fiercest warrior on that day” <p style="text-align: right;">رَأَيْنَا يَوْمَ بَدْرٍ وَنَحْنُ نَلُوذُ بِرَسُولِ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ، وَهُوَ أَقْرَبُنَا إِلَى الْعَدُوِّ، وَكَانَ مِنْ أَشَدِ النَّاسِ بَوْمَدِيْنَ بِأْسًا</p> <p>When Allah revealed, “O Messenger, convey that which has been revealed to you... and Allah will protect you from the people,” the Prophet عليه وسلم forbade his Companions from continuing to stand guard at night by his door</p> <p style="text-align: right;">كَانَ النَّبِيُّ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ يُحْرِسُ حَتَّى تَرَكْتُ هَذِهِ الْآيَةَ: {وَاللَّهُ يَعْصِمُكَ مِنَ النَّاسِ} فَأَخْرَجَ رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ رَأْسَهُ مِنَ الْقَبْبَةِ، فَقَالَ لَهُمْ: يَا أَيُّهَا النَّاسُ أَصْرِفُوا فَقَدْ عَصَمَنِي اللَّهُ أَخْدَهُ الْحَسَنُ بْنُ عَلَيٍّ تَمَرَّدَهُ مِنْ تَمَرَّدِ الصَّدَقَةِ فَجَعَلَهَا فِيهِ فَقَالَ رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ كُنْ كُنْ أَرْمَ بِهَا أَمَا عَلِمْتَ أَنَّا لَا نَأْكُلُ الصَّدَقَةَ</p> <p>Generosity</p> <p>It was well known that he never consumed any of the charity he collected</p> <ul style="list-style-type: none"> - Hasan bin Ali RA took a date from the dates which were given as sadaqah and put it in his mouth. The Prophet SAW told him: “Stop, stop, throw it away, did you not know that we are not allowed to take Sadaqah” <p style="text-align: right;">أَخْدَهُ الْحَسَنُ بْنُ عَلَيٍّ تَمَرَّدَهُ مِنْ تَمَرَّدِ الصَّدَقَةِ فَجَعَلَهَا فِيهِ فَقَالَ رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ كُنْ كُنْ أَرْمَ بِهَا أَمَا عَلِمْتَ أَنَّا لَا نَأْكُلُ الصَّدَقَةَ</p> <p>The Prophet عليه وسلم said, “I remembered while I was praying that we</p>
--	---

	<p>had some gold remaining [in the house], and I disliked that our evening pass while we still have it, so I instructed that it be distributed”</p> <p>Perseverance</p> <p>He ﷺ never knew his father, lost his mother at a young age, then lost his grandfather, and then his uncle and wife simultaneously, lived to witness five of his six children die, was treated like a menace and fugitive after decades of building a flawless reputation, was starved for years by his own people, experienced physical abuse until he would faint, faced countless campaigns of character assassination, was driven out of his home, forced to flee to Madinah for shelter, only to find hypocrites there awaiting every opportunity to betray him, saw the murder and mutilation of his relatives and Companions, and then the slander of his cherished wife ‘Āishah</p> <ul style="list-style-type: none"> - The Prophet ﷺ rose from that abyss of negativity and not only survived but became a fountain of mercy and empathy for people, animals, and plants alike. Should we not consider this miraculous?
<p>William Montgomery Watt</p> <p>Occam's Razor</p> <p>Ibn Hazm</p>	<p>To suppose Muhammad an imposter raises more problems than it solves</p> <ul style="list-style-type: none"> - The simplest explanation is preferable to one that is more complex - The biography of Muhammad ﷺ, for anyone who deeply considers it, necessitates believing him and testifying that he is certainly the Messenger of Allah ﷺ <p>فَإِنْ سِيرَةُ مُحَمَّدٍ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ لَمْنَ تَدْبَرْ هَا تَقْتَضِيَ تَصْدِيقَهُ ضَرُورَةً وَتَشَهِّدُ لَهُ بِأَنَّهُ رَسُولُ اللَّهِ عَلَيْهِ وَسَلَّمَ حَقًّا فَلَوْلَمْ تَكُنْ لَهُ مَعْجَزَةً غَيْرَ سِيرَتِهِ عَلَيْهِ وَسَلَّمَ لَكَفَى</p>
<p>The Prophet's accomplishments</p> <p>Alphonse de Lamartine</p> <p>Michael Hart</p>	<p>He ﷺ was unique in human history for having excelled in numerous roles simultaneously: a spiritual leader, a head of state, a general, a diplomat, a family man, and an educator</p> <ul style="list-style-type: none"> - Jesus Christ was a tremendous spiritual figure, but not a general or head of state - Many great kings, rulers, and emperors were ruthless, arrogant, or otherwise intoxicated by power <p>If greatness of purpose, smallness of means, and astounding results are the three criteria of human genius, who could dare to compare any great man in modern history with Muhammad?</p> <p>He was the only man in history who was supremely successful on both the religious and secular levels</p> <ul style="list-style-type: none"> - Muhammad was born in southern Arabia, at that time a backward area of the world, far from the centers of trade, art, and learning, orphaned, illiterate and reared in modest surroundings - Today, thirteen centuries after his death, his influence is still powerful and pervasive

The most named	If one combines all the variant spellings of the name, Muhammad is likely the most popular name in the entire world
The most followed	David Hogarth: “Serious or trivial, his daily behavior has instituted a canon which millions observe this day with conscious mimicry <ul style="list-style-type: none"> - No one regarded by any section of the human race as Perfect Man has ever been imitated so minutely - The conduct of the founder of Christianity has not governed the ordinary life of his followers”
The most revered	‘Urwah ibn Mas‘ūd: “I have visited Caesar in his kingdom, and Chosroes in his kingdom, and the Negus in his kingdom. But by God, I have never seen a king so revered among a people like Muhammad. He does not wash himself except that they rush to catch the droplets of water [falling from his body], nor does one of his hairs fall except that they take it. Whenever he speaks, they immediately lower their voices, and none stares at him directly out of reverence for him” <p style="text-align: center;">وَاللَّهِ لَدُنْ وَقَدْتُ عَلَى الْمُلُوكِ، وَوَقَدْتُ عَلَى قِيَصَرَ وَكِسْرَى وَالنَّجَاشِيِّ، وَاللَّهِ إِنْ رَأَيْتُ مَلِكًا قَطُّ يُعَظِّمُهُ أَصْحَابُهُ مَا يُعَظِّمُ أَصْحَابَ مُحَمَّدٍ عَلَيْهِ السَّلَامُ</p>
وَرَفَعْنَا أَنَّكَ نَذْكُرُكَ	This verse was revealed during the early Meccan years, at a time when the Muslims were a mere handful of weak people and it was unsure what would happen to Islam
Unity of God	Islamic monotheism became the religion of Arabia in just twenty years of preaching <ul style="list-style-type: none"> - Restoring the unity of God in people's lives resulted in restoring order and meaning to life, as it did away with the notion of life being a destination-less journey <p>The Prophet Muhammad ﷺ propagated a purely personal relationship with God, one void of any intermediary or human interference</p> <ul style="list-style-type: none"> - This strict monotheism placed all men and women on equal footing before God and with equal access to God
Human rights	Islam affirmed a universal human brotherhood and demanded an end to every form of bigotry based on race, color, or class
Arnold Toynbee	<ul style="list-style-type: none"> - Superiority was based only on piety—which only God could judge, and all could compete for - “The extinction of race consciousness as between Muslims is one of the outstanding moral achievements of Islam”
Racism	The Prophet ﷺ didn't simply reject bigotry and racism; he argued that racial and linguistic diversity should be appreciated and embraced <ul style="list-style-type: none"> - “And of His signs is the creation of the heavens and the earth and the diversity of your languages and your colors. Indeed, in that are signs for those of knowledge”

Addressing classism	<p>“Your servants are your brothers whom Allah has placed under your authority. Whoever’s brother is under his authority should feed him with the same food he eats, clothe him with the same clothes he wears … and if you commission them with a task, then assist him”</p> <p>Sālim, a freed slave, would lead the senior-most Companions of the Prophet ﷺ in prayer due to his skill in reciting the Qur'an</p>
Cause of decline of Islamic civilization	<p>It is a demonstrable historical reality that Muslims thrived whenever there was greater adherence to Islam and the guidance of their Prophet ﷺ</p> <ul style="list-style-type: none"> - <i>The Rise and Decline of the Muslims and Its Effect on Mankind</i> by Abul Hasan Nadwi <p>In Europe and the Americas, the renaissance was propelled by separating their faith from public life or dismissing it altogether</p> <ul style="list-style-type: none"> - Hence the notion in the secular West that the revival of religion necessitates a return to backwardness and stagnation
Primary motivators for converting to Islam	<p>Pew Research Center found that “preferring the beliefs/finding more meaning in Islam” and “studying Islam/reading its religious texts” are in fact the two primary motivators for accepting Islam</p>

The message of the Prophet ﷺ	Islam combined the Mosaic Law of Justice with the Christian Law of Grace, taking a middle way between the severity of Judaism and the mercy of Jesus
Comprehensive teachings	His teachings laid the foundation for a coherent and integrated system of theology, law, and ethics that addressed all the needs of the existential human condition: physical, mental, social, and spiritual
Divine origins	His message was among the most compelling facets of his prophethood and the strongest indicators of its divine origins
Allah's Oneness	There is no obscurity regarding God's oneness in the Quran unlike the trinitarian doctrine which had led to disagreements between Christian denominations over the nature of God
Allah's Omnipotence	There is no exception to God's omnipotence in the Qur'an unlike the Old Testament which depicts God as losing a wrestling bout with Jacob AS
Divine decree	<p>Everything is and will always be in God's hands</p> <ul style="list-style-type: none"> - Contrasts with the atheistic worldview that perceives reality as random and undirected - This entails an existence that rests in the grip of a merciless, relentless set of physical laws which serve no purpose and offer no reassurances
Resilience	<p>"Study after study has found that religious people tend to be less depressed and less anxious than nonbelievers, better able to handle the vicissitudes of life than nonbelievers"</p> <p>These beliefs taught by the Prophet Muhammad ﷺ afforded his followers wonderful resilience in the face of poverty, fear, and other challenges</p>
Connection with God	<p>Pagans attempt to connect with the Divine through theatrical forms</p> <ul style="list-style-type: none"> - Monotheists with access to confirmed prophetic teachings enjoy the real pathways disclosed by God to connect with Him
Prayer and the congregation	<p>The Qur'an encourages Muslims to worship together and links prayer to escaping the suffocating grip of sadness and social estrangement</p> <ul style="list-style-type: none"> - "We certainly know that your chest is constrained by what they say. So glorify the praises of your Lord and be of those who prostrate" - Considering the upsurge in social isolation, depression, substance abuse, and rising suicide rates, the Muslim daily prayer is a viable solution
Fasting and its benefits	<p>Science had previously recommended three meals a day with snacks in between as the dietary ideal</p> <p>Though the benefits of intermittent fasting have only recently been</p>

	<p>studied, it has been a consistent practice among the followers of the Prophet Muhammad ﷺ for fourteen centuries</p>
Harms of interest	<p>Interest-based lending appears to be an avenue for quick funds, but it often buries people and countries further in debt</p> <ul style="list-style-type: none"> - Discourages productivity and labor, since money is what begets money here, not effort or craftsmanship
Benefit of prohibition	<ul style="list-style-type: none"> - Prevents borrowers from living beyond their means, which mitigates their being exploited by lenders, and the ecological damage caused by consumerism
Consumption of alcohol	<p>The Prophet ﷺ taught that “whatever will intoxicate in large amounts, then even small amounts of it are unlawful”</p> <ul style="list-style-type: none"> - This is superior to current recommendations to “drink responsibly” which rely on the decision-making of those whose ability to make responsible decisions is impaired
Wisdom in the manner of prohibition	<ul style="list-style-type: none"> - ‘Āishah: “The first revelations of the Qur'an were the chapters which contain mention of Paradise and Hellfire. Then, once the people became inclined to Islam, the lawful and unlawful were revealed. If the first thing to be revealed was “Do not drink wine,” they would have said, “We will never give up wine”” <p style="text-align: center;">إِنَّمَا نَزَّلَ أَوَّلَ مَا نَزَّلَ مِنْ سُورَةٍ مِنَ الْمُفَصَّلِ، فِيهَا يُنْكَرُ الْجَنَّةُ وَالنَّارُ، حَتَّىٰ إِذَا ثَابَ النَّاسُ إِلَيِّ الْإِسْلَامِ نَزَّلَ الْحَلَالُ وَالْحَرَامُ، وَلَوْ نَزَّلَ أَوَّلَ شَيْءٍ: لَا تَشْرِبُوا الْخَمْرَ، أَقْلَوْا: لَا تَدْعُوا الْخَمْرَ أَبْدًا</p>
Personal hygiene	<p>Until Christendom's encounter with the Muslim world during the Crusades, bathing was not yet customary amongst Europeans</p> <p>Islam promoted rinsing the mouth regularly and brushing the teeth frequently</p> <ul style="list-style-type: none"> - “The toothbrush is a purification for the mouth, and a means of pleasing the Lord” - With advances in medicine, we now understand how useful brushing can be in preventing rotting teeth and the agony of gum infection
	<p>The Prophet Muhammad ﷺ instructed Muslims to rinse their hands in <i>wuḍū'</i></p> <ul style="list-style-type: none"> - It is estimated that only 19% of people across the world wash their hands after using the toilet <p>Nasal irrigation by sending small amounts of water all the way through is the way to treat and prevent sinusitis</p> <ul style="list-style-type: none"> - “And be thorough in irrigating the nose, unless you are fasting”
Knowledge and learning	<p>وَبَالغُ فِي الْإِسْتِشَاقِ، إِلَّا أَنْ تَكُونْ صَائِمًا</p> <p>The caliphal library in Medieval Cordoba reportedly had 400,000 books while the largest library in Christian Europe probably had 400 manuscripts</p> <ul style="list-style-type: none"> - “You know better concerning your worldly affairs”
